

Dear Friend,

We recently told you about the comments of conservative Colorado Sens. Dave Schultheis (R-Colorado Springs) and Scott Renfroe (R-Greeley), regarding the hope that babies get AIDS to make examples of their mothers and that gay people should be "put to death", as quoted in [The Rocky Mountain News](#) and on floor of the state Senate, respectively.

Our appeal to you was to help us rid Colorado of hate-filled conservatives. We need your help to make sure they go the way of the dodo bird. [By making a secure online donation today](#), I can send our Colorado Political Director Connie Simon to the districts of Sens. Schultheis, Renfroe and other conservatives to recruit progressive candidates to challenge them and their backwards ideas.

So far we have **raised a nearly \$2,000** of the **\$5,000 we need by close of business today, Monday, March 16!** Without your help, we can't continue our aggressive candidate recruitment initiative to kick conservative Sens. Schultheis and Renfroe out. We progressives need to be proactive and find quality candidates to run!

We need your help to do this. [Please click here to make a secure online donation of \\$250, \\$100, \\$50 or even \\$10 today to get this critical effort moving.](#)

Fortunately, with help from people like you, we have started to see progress and these conservatives are becoming part of a vanishing breed.

Just 10 years ago, Colorado was dominated by conservatives. The state House, state Senate, governor and both U.S. senators were controlled by Republicans. **Now Democrats are in control of all of those bodies or positions.** In just 10 years, Colorado was changed from red to blue.

Recently, *Newsweek* ran an article about this amazingly quick political power shift and credited Progressive Majority as one of the key organizations in transforming politics in Colorado. [Click here to read the full article.](#)

This hasn't just happened in Colorado, it has happened in other states too, with Progressive Majority's strategic and effective candidate recruiting and training programs.

Thank you in advance for your support of Progressive Majority.

Sincerely,

Gloria A. Totten

President  
Progressive Majority
